

Carmarthen Harriers, West Wales and Welsh Athletics are always looking for new parents and volunteers to come forward and help assist the club/organisation in officiating duties at the various league and championship matches during the season. Many Welsh Athletics officials choose to officiate most weekends and some every now and again.

There's three officials qualification course coming up locally at Swansea University Athletics Track Pavillion & Cwrt Herbert Athletics Track, Neath on 10th July, 18th July & 27th July for those interested to attend.

EACH COURSE IS LISTED BELOW WITH THE APPLICATION FORM AND OTHER KEY INFORMATION:

Level 1 Track Judging Course @ Swansea University

Level 1 Starter Assistant Course @ Neath

This Level 1 Starter / Starters Assistant course is bolted onto the Under 15 track and field league meeting so that trainee official can be tutored whilst in a practical environment. Before the competition starts, there will be an introduction hour. On the day you might even have the opportunity to have a go at starting some races as well with the electronic gun (this will be decided on the day of event).

The Under 15 League meetings tend to be ideal platforms and these formats work as they are dealing with a "live" meeting working with the starting team (under guidance) as well as an alternative to purely classroom learning. This day can be used as one of your four experiences for Level 1.

Duration: 1 Day 10:00-17:30

Date: Saturday 27th July

Cost: Free

Location: Cwrt Herbert Athletics Track, Neath

To Apply: please email the [application form](#) complete and signed to zoe.holloway@welshathletics.org

To complete your license, you'll need to have a valid DBS cleared with UK Athletics. After completion of the courses, candidates will gain experience by attending a minimum number of events to assist as a qualified official and complete a recorded evidence form detailing each meeting and have this signed by a qualified UKA Technical Official.
